Kara Monroe

kara3415@ufl.edu

321-544-5669

Stephanie DeVos

smdevos@ufl.edu

850-598-0892

So, why support the club?

Every bit of sale funding goes toward

- **Our international trip.** Club members have the chance to offset the cost of experiencing horticultural operations across cultures.
- **Next year's sale!** The poinsettias are a chance for students to put their horticultural knowledge to real-world use. Students begin with tiny transplants and are responsible for every step necessary to produce a commercial crop. It's an incredible valuable experience for us.

Don't miss our annual Poinsettia Show and Sale

December 10th / 8am to 4pm / Fifield Hall on Hull Road

Come see *unique* varieties alongside traditional favorites
