

# POLLINATOR CELEBRATION

Join UF IFAS Escambia Extension for a presentation  
on **“Artfully Adding Pollinator Plants to Your  
Landscape”** by local plant expert Emily Peterson.

-----•      23      •-----  
**Saturday      March      At 9 AM**  
-----•      2024      •-----

3740 Stefani Road, Cantonment, FL

Space is limited for the educational talk. Participants will receive a pollinator plant or seeds and have first entry for a small volunteer plant sale (cash or check only). Exhibits in the garden will follow the talk.

## Exhibits in the Garden 10:00 a.m. - Noon

- Pollinator Houses: the Good and Bad
- Starting Milkweed and Other Pollinator Seeds
- Pollinator Gardens in Containers
- Growing Pollinator Perennials by Cuttings
- Small plant sale open to public: 10:45-11:30 a.m.  
(Cash or check only)

## Vendors and Exhibitors

- Native Plant Company (plants for sale)
- Escarosa Beekeepers Association
